### PWC sets events

On Friday, December 5, Professional Women in Construction will once again usher in the holiday season with what has become an extremely popular industry tradition – the annual PWC Dinner Dance at the Grand Ballroom of The Yale Club featuring the rousing sounds

service to the New Rochelle community and his lifelong commitment to the development of quality, affordable housing alternatives for families and seniors.

Also dedicated was Lucille Ritacco Drive in honor of Lucille Ritacco, vice President of The NDR Group, for her commitment to promoting affordable housing in the real estate industry. This 102-unit senior residential building is evidence that Mr. Garito's dreams for a sustainable community with lifestyle amenities and greater affordable housing options for members of the community have turned to reality.

His vision for such revitalization and preservation began in 1970, when he served as Mayor for the City

of New Rochelle. He is proud to have been raised in the New Rochelle community, and continues to strive for better housing alternatives for its residents. The dedication ceremony commemorated his efforts and celebrated the opening of a state-of-the-art, "green" residential facility with a host of unique lifestyle amenities.

"Frank Garito is a true devotee to the New Rochelle community, with an endless vision to promote home ownership and to build new, often multi-generational affordable housing developments. We are honored to recognize Frank's guidance, commitment and leadership," stated Charles J. DePasquale, executive vice president of The NDR Group.
